

DATASHEETNo. 2280
Sep 2007**NORIT VAPURE™ REACT**
GRANULAR ACTIVATED CARBON

NORIT VAPURE REACT is a granular reactivated carbon produced under closely controlled operating conditions in our state-of-the-art facility. Quality and screen size are designed to provide high performance levels in the removal of odors, toxic vapors, and irritants from various gas streams. This product is a recycled activated carbon and not for food grade or potable water applications.

Product Specifications

Iodine number, mg/g	850 min.
Hardness number (ASTM)	95 min.
Moisture, % as packed	3 max.
Mesh size (U.S. Sieve Series)	
Greater than 4 mesh (4.75 mm), %	5 max.
Less than 10 mesh (2.00 mm), %	5 max.

Typical Properties*

Butane activity, % (ASTM)**	23
Apparent density, vibrating feed, g/mL	0.50
lb/ft ³	31

*For general information only, not to be used as purchase specifications.

**This butane activity value is equivalent to a carbon tetrachloride adsorption value of 62%.

Packaging/Transportation

Standard package is woven polypropylene bulk bags, 800 lb net.

Activated carbon (NOT REGULATED)

Exempt from DOT, IATA, and IMDG regulations

Import/Export classification: 3802.10.0000 (HS Tariff Classification)

Domestic Freight Classification: NMFC 040560

CAS # 7440-44-0

Material Handling

Wet activated carbon depletes oxygen from air and, therefore, dangerously low levels of oxygen may be encountered. Whenever workers enter a vessel containing activated carbon, the vessel's oxygen content should be determined and work procedures for potentially low oxygen areas should be followed. Appropriate protective equipment should be worn. Avoid inhalation of excessive carbon dust. No problems are known to be associated in handling this material. Please see the product Material Safety Data Sheet for details. Long-term inhalation of high dust concentrations can lead to respiratory impairment. Use forced ventilation or a dust mask when necessary for protection against airborne dust exposure (see Code of Federal Regulations - Title 29, Subpart Z, par. 1910.1000, Table Z-3).
